Setting Up a Seasonal Traveler's Notebook

One of my favorite things to do each season is set up a traveler's notebook. I love having one spot where my current devotion books and journals can be housed. Having a few projects to focus on for a month/season makes it easier to make progress instead of trying to do all the things!

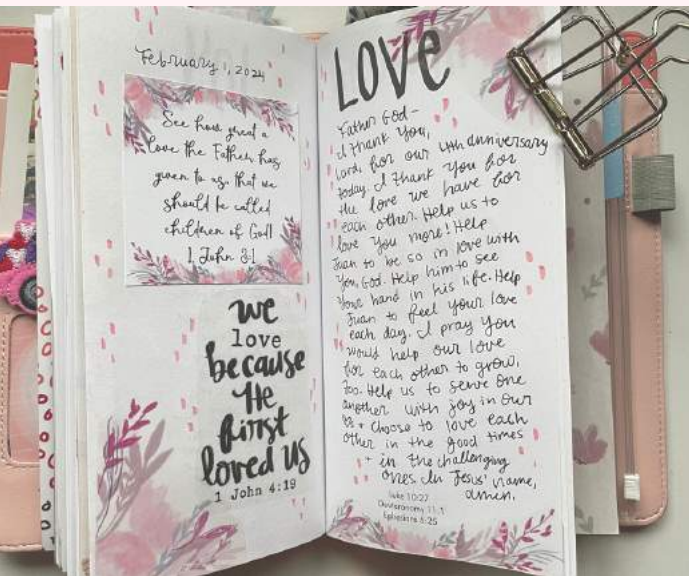

I like to have some coordinating items in the traveler's notebook so it is easy to take on the go and spend time with the Lord.

What to include?

- Devotion book
- Prayer journal
- Gratitude journal
- Verse card with key verse for the season
- Tag with washi tape that coordinates
- Coordinating printables on white or clear sticker paper
- Pen

How to Make a Valentine's Heart Banner

Supplies:

- Creative Faith Valentine's patterned papers printable
- Printer: My favorite is the Epson Ecotank 3760
- Cardstock
- Pencil
- Scissors
- Hole punch
- Twine, lace, fabric, string to put the hearts on
- Tape

Instructions:

1. Print Creative Faith Valentine's patterned papers printable.
2. Take a piece of plain cardstock, fold it in half, and draw half a heart shape. Cut and open. This will be your stencil. You can make various sizes.
3. Use the pencil to trace the heart onto the patterned papers.
4. Time to cut them out! If you fold the patterned paper in half, you can cut once but get two heart shapes.
5. Arrange the hearts in the order you want them in for the banner/garland.
6. Hole punch on either top side of the heart.
7. String them onto the twine, lace, thinly cut fabric, or string.
8. Hang and enjoy!

Ideas of where to hang:

- Fireplace mantel
- Above kitchen sink
- Above desk
- Above your bed
- Down a hallway
- On a bulletin board

Have a Valentine's Picnic Bible Study Date with the Lord

Do you love going on dates?

Recently, I was thinking about how fun it is to go on dates with my husband. I love an opportunity to get all dressed up. It is sweet to anticipate having meaningful conversation and doing something different together. I always feel so loved and cherished and adore setting aside time to spend with someone I love and who is an important part of my life.

I was thinking about how my relationship with the Lord should be even stronger than my relationship with my husband. I should crave spending time with God, reading His Word, praying.

So, I set up a cute picnic date in the living room with God. I want to encourage you to do the same thing! Keep reading to learn more.

Step 1: Get dressed up if you want! I took time to put on a cute dress and sweater and do my hair.

Step 2: Gather your Bible study supplies. I used my prayer and gratitude journal, my Extravagant Love devotion book, my Psalms of love Scripture writing plan in a faith Happy Planner, my Bible, some stickers, printables, highlighter and pen. I put them all in a cute basket.

Step 3: Set up! Since it was winter when I did this, I had an inside picnic by the fireplace in my house. I put down several quilts and pillows to make it comfortable. I also picked up some special treats: macarons, cookies & naturally dyed gummies. I made a hot chocolate, too, of course.

Step 4: Enjoy your date with the Lord! Spend time in prayer, reading the Bible, reading a devotion book, and documenting your gratitude to the Lord. What is He speaking to you through His word? What themes and messages are jumping out at you? Document them!

You could also do this same thing at a local park, restaurant, coffee shop, the beach, a lake... The options are endless! Be sure to send me a picture on Instagram if you do this. I would love to see. [@creativefaithco](#)

PSALM 23:6

Extravagant Love devotion book

Did you know I have a whole devotion book about God's love? It is available on Amazon and comes with 12 devotions about themes of God's forgiveness, love and grace. Topics include reflecting on Jesus' death on the cross, sacrificial love, washing feet, banner of love and more. Devotions are on the left side of the page, and the right page is blank for taking notes, writing out Bible verses, and getting creative.

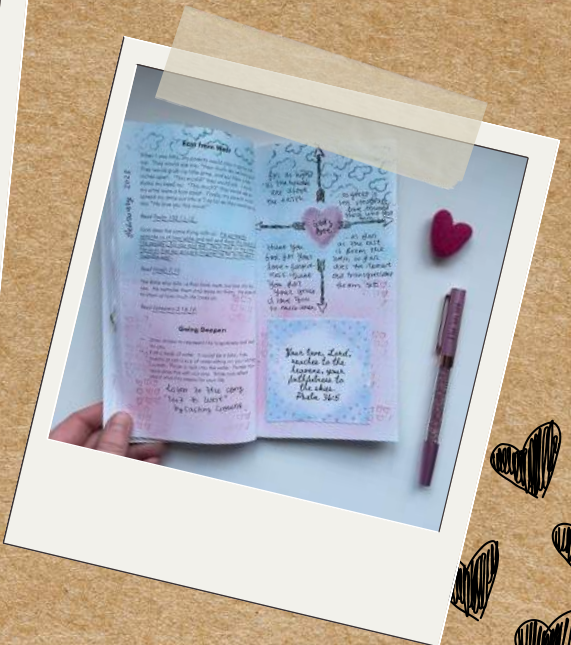

Each devotion also comes with 3-5 creative questions to help you dive deeper into understanding and reflecting on the content. There are blank pages between each devotion to give you space to paint, draw, and doodle your way through what God teaches you. There's a bonus playlist of songs at the front, and a chart at the back to reflect on an overview of what you learned each day.

Sample prompt: Illustrate a Band-Aid or a broken heart. Reflect about how much you are in need of a Savior.

Don't Forget: You are So Very Loved

Several years ago I created this free printable to remind people they are so very loved. You can print these journaling cards and use them in your planner or journaling Bible. You can also print them and give them to others. Make a plate of cookies for your neighbors and add one on to the top of the cookie stack. Heading to a restaurant? Consider putting one on the bathroom mirror, or on a shopping cart at your local grocery store. You never know how God will use this reminder to encourage someone. You are so very loved!

Your unfailing love, O Lord, is as vast as the heavens; your faithfulness reaches beyond the clouds. Psalm 36:5
